Message
From Nick Murphy
Will do, coach!

Hi, check out the Saturday game analysis before today's training. Coach

Hi guys! Today's meeting is postponed to 7pm!

Will do, coach!

You can find the July pre-season plan in your agenda!

Hi kids, let me know if you can make it to Sunday's game in the match attendance.

OK! Thanks.

Hey! 📅 ⚽

Name	Message	Date
Bobby Kersey	Ok	Mar 8, 2021
Marty Ford	So tomorrow!	Mar 8, 2021
Denton Bryan	Game 7 Analysis	Mar 8, 2021
Don Jeffers	You: Nice!	Mar 8, 2021
Jim Cooke	Your readiness forms are set for 7:30am each morning!	Mar 8, 2021

Communication

Keep all communication with coaches and athletes in one place.

Collections

Create your lifetime of coaching observation.

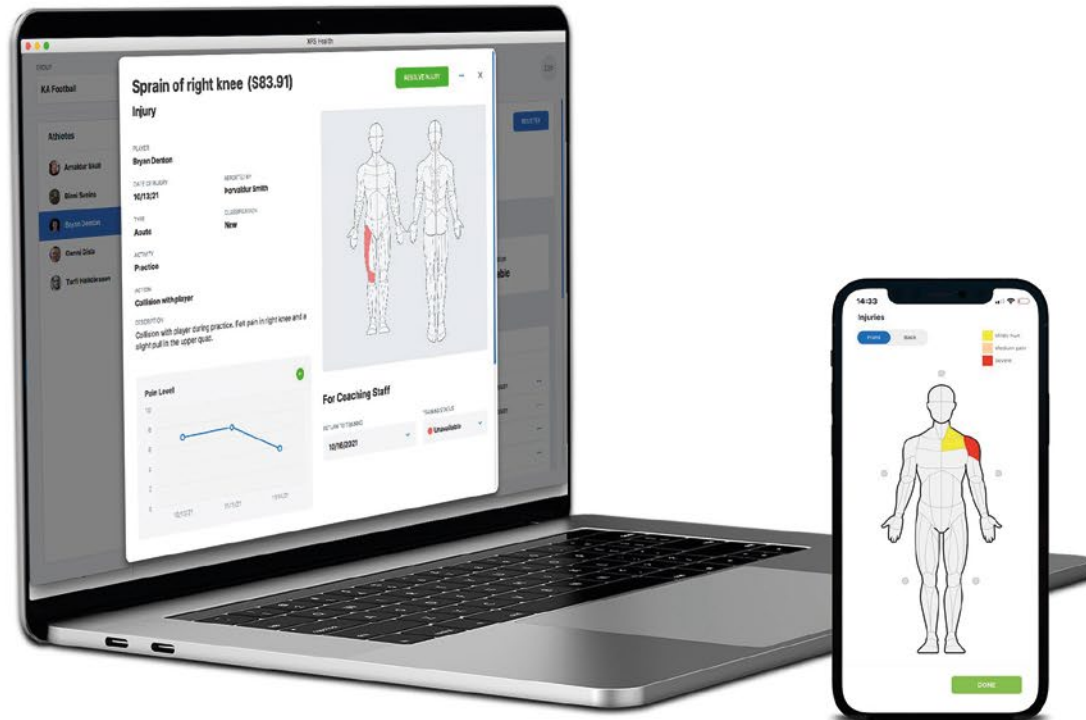

This screenshot shows the XPS network interface with a sidebar on the left containing navigation options like 'My XPS', 'Teams', 'Messages', 'Calendar', 'Admin Profile', 'Evaluations', 'Team Statistics', 'User Management', 'Templates', 'Collections', and 'Session Templates'. The main content area is titled 'Mix Drills' and includes a 'Click to set headline' button, a table of contents, a 'Why is mixing effective?' section, and a 'Contextual interference is one of the main mechanisms that are responsible for the benefits of interleaving.' section. A video player is visible on the right side of the page.

This screenshot shows the XPS network interface with a sidebar on the left. The main content area is titled '1:1 + ta beslut!' and includes a 'Click to set headline' button, a 'FOCUS Decision making' section, a 'NOTE: Players are supposed to decide if they go for less points that easier correct or more points that more difficult corrects.' section, and a 'MEMORIZE OF UPGRADER' section. A video player is visible on the right side of the page.

This screenshot shows the XPS network interface with a sidebar on the left. The main content area is titled '7v7 Breaking Lines' and includes an 'Organization' section, a 'Coaching Hints' section, and a 'Variations' section. A video player is visible on the right side of the page, showing a basketball court with players.

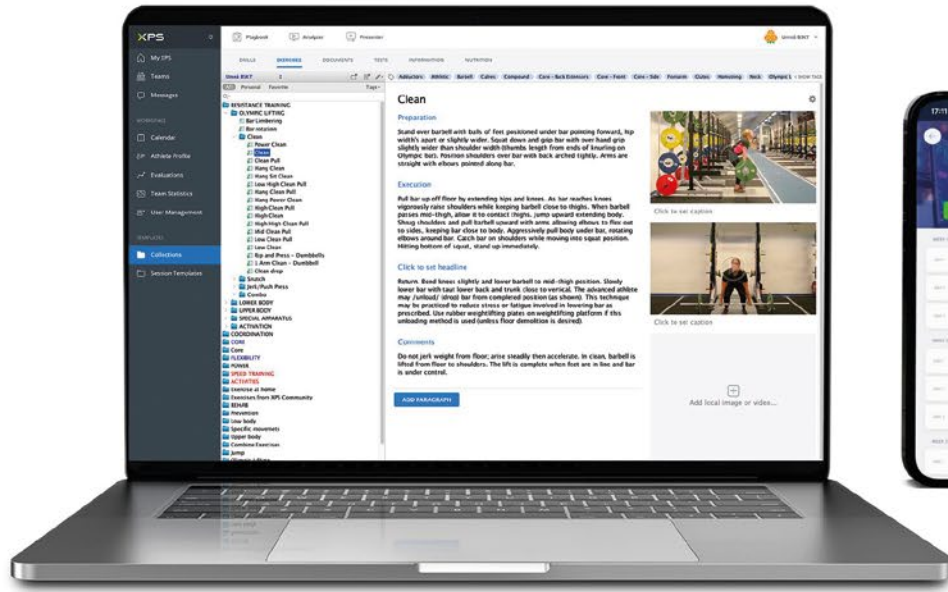

Injury Management

Report injuries and illnesses, plan treatments and rehabilitation.
Provide seamless communication between your medical team and coaching staff.

Strength & Conditioning

Video library with thousands of exercises.
Get instant feedback on your athlete's progress.

EräViikingit

"We're handling basically everything regarding all our teams in XPS Network."

Olli-Pekka Yrjänheikki
Jokerit Helsinki

"XPS helps our coaches evolve and makes my life easier, no other software provides the same."

Agust Thorkelsson

Founder & CEO Sideline Sports

“We are big believers in keeping it simple. In the power of data in sports, and how much coaches can do with the right information at your fingertips. Our priorities have always been the same: Provide great service, build the best data-driven products in the business, and have fun! For our coaches and sports teams across the world, XPS Network is like a lighthouse - it helps them navigate.”

What is Sideline Sports?

Founded in 2001, Sideline Sports started with a team of three. Now we are a company with 30 employees, working with over 2,000 clubs and sports teams in 92 countries. We ensure coaches and teams are better organised, benefit from more effective communication, and have access to key coaching data that drives smarter decision-making.

Our main product, XPS Network, has earned the long-term trust of thousands of customers, including some of the world's largest — and smallest — sports clubs and organizations. We are proud of our success and will continue to raise the bar, creating and providing cutting-edge and easy-to-use software for coaches in every sport, all around the world. Join us on this journey! We feel we are just getting started.
